

Dear Friends and Allies,

As we step into a new year filled with hope and possibility, Equality Springfield is thrilled to invite you to join us for Springfield Pride 2026, taking place June 26th-28th! This year, we're aiming to make it our most exciting and impactful celebration yet, and we'd love for you to be a part of it.

Since 2010, Equality Springfield has been dedicated to building a community where everyone feels welcome and valued, regardless of sexual orientation or gender identity. We envision a Springfield where lesbian, gay, bisexual, and transgender (LGBTQ+) individuals are not only accepted, but celebrated. To achieve this, we work tirelessly to raise awareness, foster understanding, and create safe spaces for connection and mutual respect.

In today's climate, unity and solidarity are more crucial than ever. We recognize the unique challenges faced by LGBTQ+ individuals, especially our youth, and we believe that Pride is a powerful opportunity to demonstrate our unwavering support. Particularly, transgender and nonbinary youth are facing unprecedented levels of discrimination and misunderstanding. Springfield Pride is a beacon of inclusivity, drawing hundreds from across the region, boosting our local economy, and providing a vital platform for businesses and organizations to stand in solidarity and visibly affirm that transgender and nonbinary youth, and all LGBTQ+ individuals, are valued and belong.

This year, we're extending a special invitation to you to partner with us and help make this celebration a resounding success. By joining us, you'll be sending a clear message: Springfield is a place where everyone belongs.

We've included detailed information about sponsorship opportunities and other ways you can get involved. We encourage you to explore these options and discover how you can contribute to creating a more inclusive and welcoming community.

Thank you for considering this opportunity to partner with Equality Springfield. We truly appreciate your time and commitment to building a brighter future for all.

Warmly,

The Equality Springfield Team
